

Newline Visual Communication Solutions powered by TSN

Digital Signage Made Easy

Newline Visual Communication Solutions powered by TSN is a digital broadcast network designed to provide unified visual communications in schools and businesses. Broadcast important and engaging messages to employees, students, and the community directly through a Newline panel without the need for a separate media player. Leverage your Newline display for all your digital signage and visual communication needs.

Corporate

Information & Announcements
Deliver important announcements and ensure all employees see your information.

Emergency Alerts & Safety Protocols
Instantly broadcast important safety and security information.

Enhanced Marketing
Promote products, services, events, and more directly to potential customers.

Live Streams & Feeds
Enable sharing of engaging local and national events as they happen.

Education

Campus Announcements
Deliver important announcements and ensure students and staff see your information.

Class & Testing Schedules
Relay important dates, times and schedules directly to students.

Lunch Menus
Deliver menu and nutritional information to designated cafeteria menu board screens.

Live Streams & Feeds
Broadcast important world and live events across campus.
